

Guide for SP Feedback to Learners

SP's Real Name: _____ Date: _____

SPs' "Case" Name: _____

What went well about the interview?

- You identified that I was using smoking tobacco
- You realized I didn't want to quit
- You helped me find a reason to quit (coughing, cost, getting in trouble)
- You helped me decrease barriers to quitting You talked about confidentiality
- You clearly advised me to quit
- You scheduled a follow-up session
- Overall, you have definitely made me consider thinking about quitting

What could have improved the interview?

- If you identified that I was using smoking tobacco
- If you realized I didn't want to quit
- If you helped me find a reason to quit (cough, cost, getting in trouble)
- If you helped me decrease barriers to quitting
- If you talked about confidentiality
- If you clearly advised me to quit
- If you scheduled a follow-up session
- Overall, you didn't really make me consider thinking about quitting
