

DEVELOPING A 6 HOUR (1 DAY) AGENDA

Screening, Brief Intervention and Referral to Treatment (SBIRT)

SUGGESTED SAMPLE 6 HOUR (full day) AGENDA

NOTE: Don't make edits on the original slide sets. Instead, make a copy and remove the slides as suggested, starting with highest number slide in Module 3 and working your way back. This preserves the slide numbers as you are making your edits. The slide edits suggested here can be a guide, but you may decide to make additional, fewer or different edits as your training situation requires. Please feel free to do so.

THE SUGGESTED SLIDE AND MODULE DELETIONS HAVE ALREADY BEEN MADE TO THE FILES IN THE 6 HOUR TRAINING KIT.
